LET'S STRIKE A DEAL!

Amway is proud to introduce an exciting new program for your VIP Clients. Strike A Deal promotional offers will be sent every fortnight.

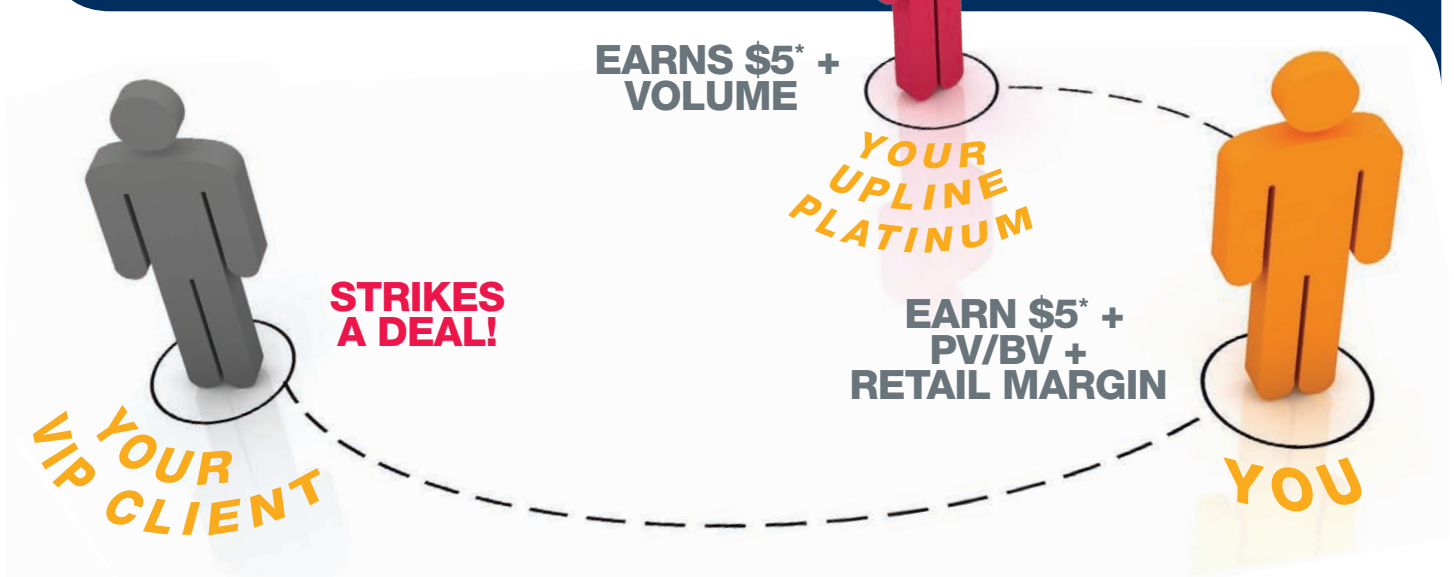

Great offers will entice your VIP Clients and you'll enjoy many extra rewards too.

WHAT'S IN IT FOR ME?

Strike A Deal is a new sales tool you can use to attract new VIP Clients. Your VIP Clients will receive discount offers every fortnight to encourage them to purchase and use Amway products more frequently, giving you a better and easier way to service their needs.

Strike A Deal offers you NEW extra income potential every month*.

HOW DOES IT BUILD MY INCOME?

Every VIP Client purchase from a Strike A Deal promotion earns you an EXTRA \$5* on top of the PV/BV and retail margin you earn from the sale.

Your Upline Platinum will also earn an additional \$5. If you are both the sponsor and a qualified Platinum, you earn \$10. And of course, payments will be paid with bonuses, together with the next months bonus payments. So easy!

Everyone in the line of sponsorship benefits as the PV/BV flows up the line!

*This additional stream of income is available to both Sponsors of VIP Clients and Platinums as part of the 2012 GIP. To be eligible to receive the \$5 payment the sponsor needs to ensure they achieve a minimum of 50 personal PV in the month of purchase. The Platinum in order to receive their payment needs to ensure they have a 21% Achievers qualification month (inclusive of 100 Personal PV).

WHY IT WORKS FOR YOU?

Q: Do you have a prospect who isn't interested in becoming an IBO?

A: Now you can encourage them to Strike a Deal! You can register them for special promotions and if they buy, all the PV and retail margin flows to you. Amway does all the back end work, and you get all the benefits.

Sharing the business opportunity with prospects and encouraging them to become an IBO should always remain your number one focus. But now, with the Strike a Deal program, you can earn more money by giving your prospects the opportunity to register as a VIP Client if they decline to join as an IBO.

This gives you the time to focus on sponsoring more IBOs and building your business, while Amway takes care of servicing your VIP Clients through regular communications and offers every fortnight.

With Strike A Deal you reap the benefits!
